

Site Holder Terms & Conditions

The Objective of these Terms & Conditions is to assist Site Holders by providing Fundamental Guidelines on the obligations and requirements of the Event Organiser and the Kawerau District Council.

1) Registrations

As part of the event process, the Event Organiser is required to apply to the Kawerau District Council for an Application to hold an event and sell food at an event. The Event Organiser is then responsible for supplying the Council with a current list of all Site Holders/Vendors and for liaising with the appropriate Council Staff to ensure that all Site Holders/Vendors comply with the appropriate Legislation and Council Bylaws.

Therefore, all Site Holders must be registered with the Event Organiser prior to the commencement of the event. Site Holders may also be required to seek approvals with the Council and the Event Organiser will help facilitate this process if required, but failure to complete the required registrations and/or applications may prohibit participation in the event.

2) Site Holders/Vendors

We have defined and categorised two types of Site Holders, to which these Guidelines apply:

a) Commercial/Business Owner

- Whose operation generates revenue for the sole benefit of the business.

b) Fundraiser/Community

- Whose operation generates revenue for the sole benefit of the community or a charitable organisation.

3) Food Stalls

All Commercial Site Holders intending to offer food and drink for sale must hold a current Registration Certificate. The Site Holder may be subject to an onsite inspection and remedial work may be identified and required to continue trading at the event.

4) Amusement Devices

Registration for mechanical rides will not be accepted by the Event Organiser unless accompanied by a current certificate of registration issued by the Ministry of Business Innovation and Employment. An Application to Operate must also be approved by Kawerau District Council.

A permit application form can be obtained from Kawerau District Council and the fees are:

- For one device \$14.00 (GST incl.)
- Each additional device operated by same owner \$3.00 (GST incl.)

5) Marquee

Any Marquee exceeding 100m² requires a building consent from Council. A blanket building consent can be sought by the Event Organiser, therefore it is important to note during registration that you are erecting a Marquee, so that individual Site Holders/Vendors can be included in this consent process.

6) Alcohol Sales (not permitted)

Kawerau Christmas in the Park is a non-alcohol Event. No alcohol what so ever is to be permitted on site. Vendors who have alcohol on their sites would be asked to leave.

7) Sale of Herbal Remedies

Sale or promotion of Herbal Remedies requires the approval of the Ministry of Health. Event Registration Applications must be accompanied by proof of approval.

8) Registration Fees (incl. GST)

PREMIUM ZONE

Each year we are inundated with requests from traders to be positioned close to the stage. This indicates that being positioned closer to the bulk of the public is seen as a desirable area to trade and possibly increase sales.

These will be powered sites and the site fee is reflective of this desired location.

Reservations in the PREMIUM ZONE will be on a **first in first served** basis. Once these sites have been allocated, the next closest available site will be allocated as and when you have registered and paid in full. If you wish to be closer to the stage you should complete your registration and make payment immediately to guarantee this. Please contact the Kawerau isite if your stall exceeds maximum length.

RESERVATION DEADLINE

All registrations must be received and paid in full by **Friday 22nd November**

LATE FEE:

Any registration and payments received after Friday 22nd November will incur a \$50 administration fee; **no registrations** will be accepted within 7 days of the event.

10) Cancellation/Refunds

In the event of a total cancellation of the Event, all site registration monies paid will be refundable.

The Event Organiser has the right to cancel any Registrations and remove any vendor that they deem to be:
