The proposed policy sets out:

- how we define dangerous, affected and insanitary buildings;
- how we approach the management of dangerous, affected and insanitary buildings;
- how we respond to complaints about potentially dangerous, affected or insanitary buildings;
- how we interact with the related sections of the Act (specifically how we apply the principles of the Act);
- how we deal with the impacts of the policy; and
- how the policy is applied to heritage buildings.

What we'd like to know

The Dangerous, Affected and Insanitary Buildings Policy 2023 is how Council is responding to the requirements of Sections 131 and 132 of the Building Act 2004.

Is there anything about our policy approach to the requirements of the Building Act 2004 that you would like provide feedback on?
